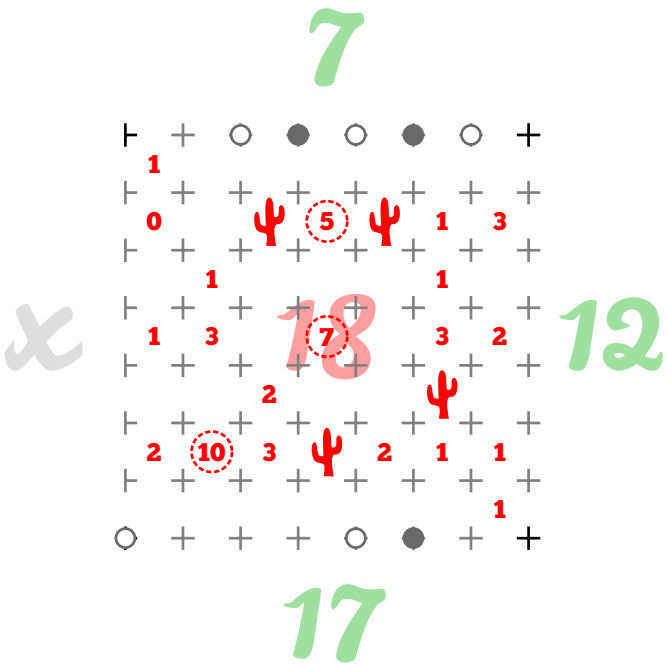
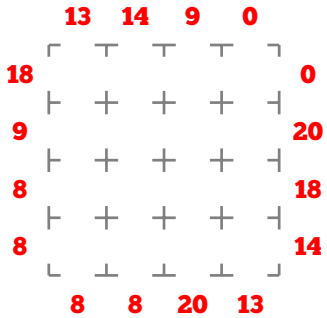
Instructions

Welcome to the 18th piece of this year's Advent Calendar! This year's grid is a 35x35 Area 51 puzzle. Area 51 combines many familiar clue types from slitherlink, masyu, and corral puzzles.



Bonus Puzzle! Mirror Maze


Place 7 diagonal mirrors & the digits 1 through 9 in the grid at right. They must run in numerical order starting with 1. The digits will move from left to right starting with the top row and then moving across each row top to bottom. To aide in placement, the sums from each viewpoint looking into the grid are provided.
