## the Trickle Down Sudoku Grab Bag

February 7 2010

Solve each sudoku variant (shape, sum, X, difference, greater-than/less-than). Enter numbers from the solid-lined orange shapes in each puzzle into the corresponding dashed-line shapes in the next puzzle to populate the clues. Puzzles created by David Millar. Go to thegriddle.net for more free puzzles, and grab updates by RSS feed (or follow @thegriddle on Twitter).

Fixed 2/7/2010 thanks to Grant.
