## fiveletters

Use the clues to figure out the 5 letter words. The numbers between words correspond to the differences in the letters between the words. (Ex: A and E have a difference of 4.)

|   |   |    |   |    |                  |
|---|---|----|---|----|------------------|
|   |   |    |   |    | Chips w/ cheese  |
| 0 | 0 | 8  | 3 | 11 | ---              |
|   |   |    |   |    | Unclothed        |
| 5 | 0 | 1  | 4 | 0  | ---              |
|   |   |    |   |    | Lettuce, veggies |
| 6 | 8 | 12 | 4 | 14 | ---              |
|   |   |    |   |    | Kitchen tool     |
| 5 | 0 | 2  | 0 | 0  | ---              |
|   |   |    |   |    | Body of water    |

## amusementpark

Find the words in the grid below. *Italicized words do not need to be found.* If a term has more than one word (like "dark ride"), the words will be found separately.

- dark ride
- roller coaster
- gift shop
- mini golf
- boat ride
- train ride
- on-ride photo
- map
- haunted house
- tilt-a-whirl

### funfact

During Operation Red Dawn (December 2003), in which the U.S. military captured former Iraqi president Saddam Hussein, they apparently found a stash of Mars Bars near the former president. *(taken from wikipedia)*

## teachef

I didn't win last month's contest, but this month I am entering the TeaChef challenge again. My recipes this time are Pi Lo Chun Pasta Salad and Pi Lo Chun Marinade (for chicken). Photos coming soon.

I talk with the administrator of TeaChef occasionally on AIM.

**TheDreamIsle:** if there was plant life on other planets, i wonder if it would make a good cup of tea

Yeah, I'm sounding rather crazy lately. Perhaps I'm too crazy to continue making puzzles. Or maybe I'm crazy because I haven't made enough of them?
