## dogpuzzle

- Use the clues below to figure out which dog belongs to which teacher, and the order of the dogs in the photo.
- Latte, who does not belong to Miss Schadt, is sitting somewhere to the left of Tasha.
- The dog belonging to the teacher who teaches 3<sup>rd</sup> grade is either the dog on the left or right, not in the middle.
- Junior either belongs to Mrs. Nichols or Mrs. Ackerman-Hedberg (whose dog is in the middle of the picture).
- The dog belonging to Mrs. Nichols sat to the left of Latte in the photo.
