

Happy Camper

Design the campsite according to the rules provided.

1. The apple tree is north of the orange tree.
2. The tent covers the most southwestern square and the square directly east of it.
3. The cooler is east of the tent.
4. The pond covers the most northwestern square and the two squares adjacent to it.
5. At night, the North Star can be seen reflected in the northwestern most square of the pond.
6. The campfire is west of the orange tree.
7. There are logs on three of the sides adjacent to the campfire.
8. There are flowers south of the west side of the pond and in the square east of it.
9. There is another tent covering the last two squares.
