Story Logic

Four friends are planning to go on a camping trip this fall. Use the clues below to figure out where they’re driving from (where they live), what gear they brought with them, what they plan to do on the trip. The first clue has been filled in for you.

- Surprisingly, although Rafael brought the fishing equipment on the trip, he decided to go hiking instead of fishing.
- Becky, who is from either Port Mellon or Thornburg, did not bring the tents. The person who brought the tents does not live in Middle Creek.
- The person who brought cookware is also the person who plans on sleeping during the camping trip.
- The person from Thornburg plans on going fishing, but the person from Port Mellon does not plan on sleeping or hiking on the trip.
- Dave planned on taking photos on the camping trip.
- The person who brought the lanterns and bug spray was not James. He also didn't bring the tents.
- Rafael was either from Crescent City or Port Mellon.
