

Coffee Puzzle Rules:

The letters and letter pairs between squares in the puzzle below are the midpoints between the letters in the adjoining squares. Use the clues to figure out the coffee related words. Be careful - a dash means no letters are between the two, but that may either mean the letters are one away from each other or the same letter.

For example, the clues for "BEAN" would be "CD, C, GH" since in alphabetical order:

- CD is between B and E
- C is between A and E
- GH is between A and N
