# thegriddle

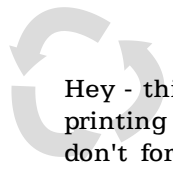

free printable puzzles

Fill the grid to the left such that each row, column, and 6-block shape contains each digit from 1 to 6. The signs between blocks determine which of the numbers in the adjacent blocks is larger and which is smaller.

Fixed 5/10/08

Hey - this puzzle is kinda small, so try printing it on a half-sheet of paper, and don't forget to recycle it when you're through!
