Fence Your Campground
Slitherlink

To solve this puzzle, you must build a fence around your campground using the plan at right. Each digit represents how many pieces of fence have to surround that square. You must have one loop with no intersections when you're done. Answer: Give the vertical lines for each row top to bottom with X replacing blank lines; like "|||XXX|||XXX|||XXX|||XXX|||XXX"

2	3	2	3	1
2	1	3	2	1
2	0	2	1	2
2	3	3	1	2
0	1	1	2	2

## Haunted Mirror Maze
Original Puzzle

To solve this puzzle, use the number of figures seen from each vantage point outside the maze to fill the empty spaces in the grid with 5 each of the following monster:
Spectres - seen reflected, not head on.
Zmobies - always seen.
Vampire Bats - seen head on, no reflection

Answer: Give the letters S, V, or Z for each monster, left to right in each row top to bottom; like "SSSSSVVVVVZZZZZ"

Grid Fill
Original Puzzle

To solve this puzzle, fill the grid at right with the bits and words below. Each word must fit into a row (left to right) or a shape (left to right and top to bottom) perfectly.

Answer: Give the 5 letter row words from top to bottom; like "ABCDE, FGHIJ, KLMNO..."

C, E, G, I, O, R, S, U
AI, GF, RE
ASK, HAD, LYE, RIP, SEW, WOO
MORE, NOSH
COPSE, DAILY, DROVE, FRIAR, GNOME,
GROVE, HAIKU, SEWER, SHORE, WOODS

For a chance to win a Mr. Accessory in KoL:

First, solve the puzzles at left and type up your answers as shown below each set of rules.

Second, before rollover on January 29, send your answers via **k-mail to:**

dreamisle (#637914) or LemonLimePirate (#822355)

Shortly after I get all the entries, I'll roll a die in /c games to determine a winner at random.

As a courtesy, if you submit incorrect answers I will let you know and give a second chance

If you find an error in a puzzle, let me know and you will receive a special prize as well as two entries in the drawing.
