## Supertinker Sum Sudoku (contains spoilers)

Fill the grid with cogs (C), springs (SP), Sprockets (SK), and flanges (F) using the recipes for the item clues below. Each row and column must contain each item.

A: Cog and Sprocket Assembly, B: Sprocket
C: Clockwork Doohickey, D: Cog
E: Clockwork Clockwise Dome
F: Clockwork Thingamajig

Answer: Send me the rows from left to right, top to bottom, using the abbreviations used above. (C,F,SP,SK,C,F,SP,SK...)

Fence Your Campground

Draw lines along the dashed gridlines to create a single loop around your campground. The numbers in the grid represent the number of fence pieces that should surround that square.
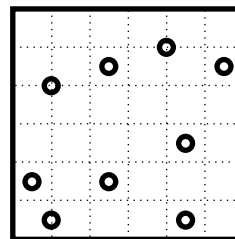

Answer: Send me the rows of vertical lines, using | if there is a fence piece or using X if there is no fence piece. (|||XXX,|||XXX...)

2	1	2	3	1	0
2	1	2	2	1	1
2	2	3	2	1	2
1	2	1	0	1	1
1	3	1	1	3	3
3	2	1	2	1	1

Beast with 9 Eyes

Draw lines along the dashed gridlines to cut the Beast with 9 Eyes into 9 pieces; 1 for each eye. Each piece must have rotational symmetry with the eye in the center of it.

Answer: Send me the number of squares in each piece (from top to bottom, left to right) along with whether the piece is a rectangle or not. (3Y, 5N, 2Y...)

Haunted Mirror Maze

Fill the grid with 3 each of the following: spectres (S), zmobies (Z), and vampires (V) such that the numbers outside the grid denote how many creatures are seen in the maze.

Vampires are seen head on, but not reflected in mirrors.
Spectres are seen in mirrors as reflections, but not head on.
Zmboies are always seen both reflected and head on.

Answer: Send me the letters in each row from left to right, top to bottom, using the abbreviations listed above. (VVV,ZZZ,SSS)

To enter the drawing to win a Mr. Accessory in the game Kingdom of Loathing:

First, solve the puzzles at left and type up your answers as shown below each set of rules.

Second, before rollover on June 10th, send your answers via k-mail to:

dreamisle (#637914)
or
LemonLimePirate (#822355)

Shortly after I get all the entries, I'll roll a die in /c games to determine a winner at random.

As a courtesy, if you submit incorrect answers I will let you know and give a second chance

If you find an error in a puzzle, let me know and you will receive a special prize as well as two entries in the drawing.
