

the griddle Spiral Grid Fill

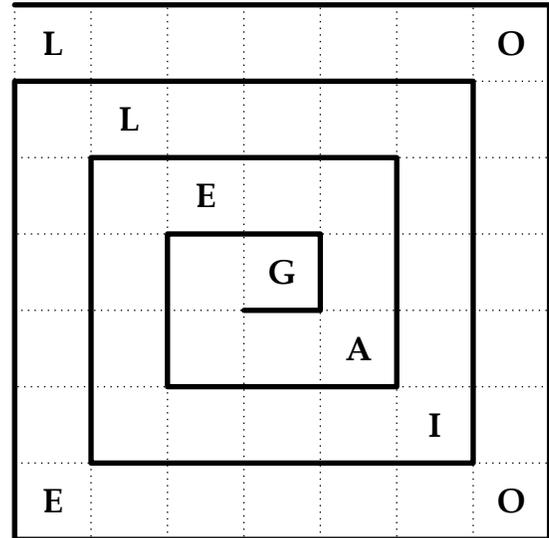

January 10
2010

For each puzzle, fill the grid with the words given using the letters that have been placed for you. The words form a continuous, overlapping stream going from the top left square clockwise to the center square.

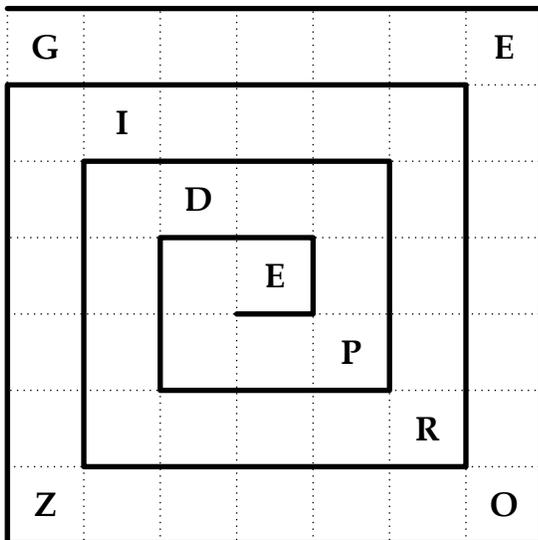

Puzzles created by David Millar. Find more free puzzles online at www.thegriddle.net. Send feedback to davmillar@gmail.com or through Twitter to @thegriddle.
