

Instructions

Fill the grids at right with the words from the lists below. The words will form chains from the gap at the top left of the grids through to the center of the grid - each word overlapping the next by one or more letters.

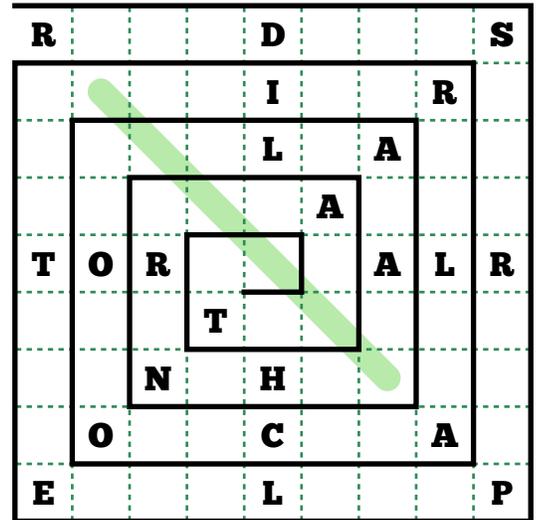

When complete, the shaded lines through the grids will form part of a quote. The numbered cells will form the name of the person who said the quote.

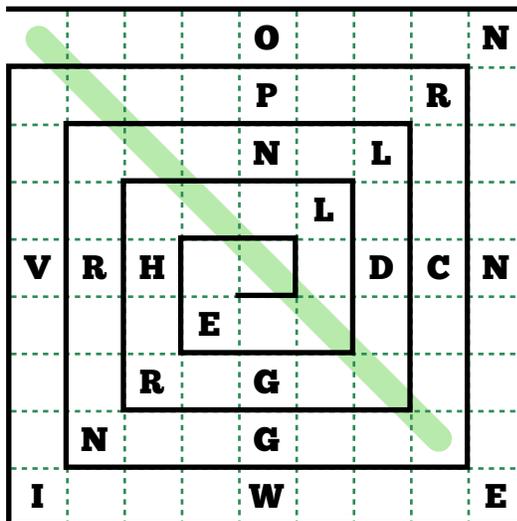

Grab the book *The Magician of Lhasa* by David Michie at the site for Trapdoor Books: <http://trapdoorbooks.com>
