

## Instructions

Four friends have met at the beach for a day of surfing and other fun.

Use the clues to determine which friend had which color surfboard, which beach towel, which other activity, and which item for the picnic lunch they had brought.

## Errata

Thanks to Grant Fikes who caught that there were multiple solutions which were due to a missing clue.

	Red	Orange/Yellow	Green	Blue	Batman	Blue/Green Stripe	Harry Potter	Pirate	Burgers	Chips	Cookies	Potato Salad	Beach Ball	Frisbee	Kites	Volleyball
Carlos																
James																
Ruben																
Sierra																
Beach Ball																
Frisbee																
Kites																
Volleyball																
Burgers																
Chips																
Cookies																
Potato Salad																
Batman																
Blue/Green Stripe																
Harry Potter																
Pirates																

- 1** Either James or Carlos brought cookies.
- 2** James brought the frisbee but not the burgers.
- 3** Carlos brought the green surfboard but not kites.

- 4** Sierra did not bring the orange/yellow surfboard or the batman towel but did bring either cookies or chips.
- 5** The person who brought the Harry Potter towel also brought a red surfboard and either a kite or frisbee.
- 6** The person with the blue/green striped towel brought chips and either the blue or green surfboard.
- 7** The person who had brought the volleyball also brought either the burgers or the cookies.
- 8** Either Carlos or Ruben brought the volleyball but neither had the pirate beach towel.
- 9** Ruben and Sierra each brought one of the following: a beach ball and potato salad.
