## Instructions

There＇s a block party being planned over at a small group of 6 businesses．The 6 places are all situated around a small courtyard with grass and benches perfect for the block party． Each business is preparing a special dish and will be inviting their Foursquare mayor to the party．

With the clues given，figure out which business is at which location，what dish they made，and who their Foursquare mayor is．

7 Tasty Jane＇s is directly across the courtyard from the venue whose Foursquare mayor is Nadia．
8 Libby is not the mayor of the venue in lot $E$ or $F$ or the venue，nor did her venue provide falafel．
9 Nadia is the mayor of the venue that provided peach cobbler，which is not Rudy＇s Hardware．
10 West Side Bakery is in a single building across from the venue whose mayor is Libby．
11 Manuel is the mayor of the venue that provided either BBC chicken or potato salad．
12 Rudy＇s hardware is in a double building and is diagonally across from Violins Plus．
13 Violins Plus shares a double building with the husiness that provided cookies．
14 Oliver is the mayor of either Save－More Thrift or Ursula \＆Co．Cafe．
Peter and Quinn are mayors of two venues in the same building．
