Instructions

Each of the three puzzles at right consists of two grids: on the left is a grid made of equation clue sections in the top left corner, and on the right is a normal 0-2-5 grid. Both grid must have the same digits in the same positions. Use both in order to complete the puzzles.

				l

7+		7+	Ox	5+		10+		
4+	İ			20 x				7+
	10+		9+			4+		
		3-	4+		Ì	7+		
			12+	1			0+	
10x				ļ	7+		7+	2+
17+	7+			7+				
					7+		7+	
			Ox
