

## Instructions

Fill each grid with digits from 1 to 5.

Each grid is divided into several serpents of varying lengths. Each serpent must contain consecutive digits in order.

The digits in each row and column must add to their given sum.

18 19 13 16 17 23	18 21 12 19	19 13 21
21 16 9 20 21 19	21 17 19 22	20 25 18 17
23 12 20	23 17 19 18	15 24 23
19 15 16	16 16 20 19	24 16 15
16 15	22 20 19	17 19 17 24
16 18 11 15	19 18	22 18 24 21
14 23 17 17 15 19	18 23	20 12 22
21 16 15 20 16 17	16 17 25 18	17 12 22
