

Knightswords

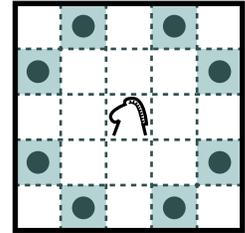

In this puzzle, replace one letter in each row and each column with a knight (as in the chess piece). Letters attacked by each knight will anagram to a word, and all 8 words will share a common theme.

N	S	U	O	U	D	E	M
K	I	E	R	Y	U	I	G
E	P	L	S	U	E	P	A
R	P	D	E	R	B	R	E
G	T	E	I	T	E	A	C
A	M	N	P	I	H	G	L
P	K	E	M	P	P	R	S
S	R	A	N	N	D	O	W

Knights Move

Sum Square

Place the digits 1 through n into each row and column so the given sums are satisfied and each row and column contains one of each digit, with no repeats.

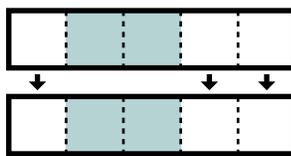

3			7
7	6		6
	6		6
		4	
8			3

9	3		8
	9		3
8		8	12
3		11	
	9	5	6
9		9	

	4	7		7
5		5	10	
	10			3
7			4	
	9			11
5		10		

State of Mind

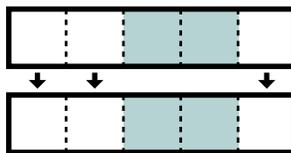

Place pairs of words into the puzzle at right using the given clues. Each word shares three letters with its partner. The other two letters form a U.S. state abbreviation, also clued.

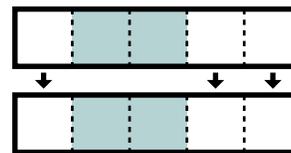

A sample
Family Guy home state

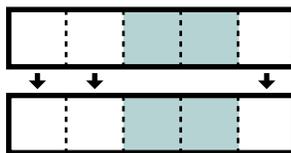

A beverage
The first state

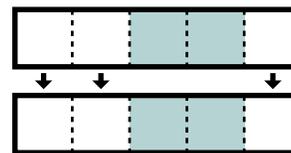

Agreements
The Constitution State

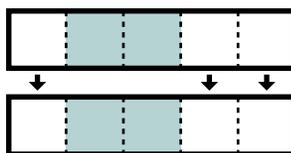

Outdoor lounging area
A West Coast state

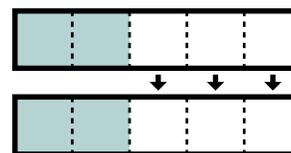

Makes wet
Northernmost state

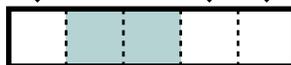

Silent performers
New England state
