

Instructions

The clues provided are the difference between the numbers in pairs of cells. For example, the difference between 5 and 8 is 3.

4			5	
8	10	4	4	15
2		5	16	
20	7	11	17	
		6		
10			4	
1	4	3	10	14
15			20
