Instructions

The clues provided are the difference between the numbers in pairs of cells. For example, the difference between 5 and 8 is 3.

	13	4	3	13	
8					7
		14	10		
10	7			7	10
		23			
14	6			1	3
		19	22		
1					5
	13	5	4	5
