

Instructions

The clues provided are the difference between the numbers in pairs of cells. For example, the difference between 5 and 8 is 3.

	10	2	12	16	
3					3
		8	9		
12		6		6	7
			24		
14		3	12	8	5
				13	
15		17			8
			3	16	1
