

Instructions INTERSTATE THIRTY-FIVE

I've been driving all day
and haven't had time to
draw up a proper puzzle. So
here's today's challenge
instead:

Using the letters from the
highway I drove on all day,
'INTERSTATE THIRTY-FIVE',
make as many words as
possible.

Send me your list and your
address by Christmas
morning and if yours is
(one of?) the longest, I'll
mail you a postcard I pick
up along my route on the
way home.

Safe holiday travels to all!
