

Advent Pieces

In today's puzzle piece for the sudoku calendar, greater-than and less-than signs have been placed on the borders between cells.

17 Either Arthur or his Santa wore the sweater with the Santa design.

News Flash!

Day 15 was missing a clue for the sudoku piece of the advent calendar between the top-left and top-middle cells. Sorry about that. :(

Bonus Puzzles

Today's bonus puzzles are inequality difference sudoku. The clues used in these three grids are the same as the clue types used on days 1 and 3 of this year's sudoku portion of the calendar.
