

Advent Pieces

In today's puzzle piece for the sudoku calendar, two cages have been placed with their cells' sums displayed in their corners.

20

Either the dark chocolate hot cocoa drinker or the person who had the earliest final day of work purchased the molasses sampler.

Bonus Puzzle

Today's bonus puzzle is Spinner Kakuro.

Complete the kakuro grids using standard rules for kakuro: use the digits 1 through 9, no repeated digits in a section of row or column between dark lines, and the digits must total to the sums provided.

Additionally, placement of digits in the dash-outlined 'spinners' must be done with 180 degree rotational symmetry.
