## Instructions

In this sudoku variation, fill each row, column, and 3x3 square with each digit 1 through 9, sans repetition.

Digits in cells along arrows must sum to the digit in the circle attached.

Additionally, sum sudoku cages have been provided which contain the sum of the digits meant to be placed within them.

| ;i6 · ; | 7  | :8    |
|---------|--|-------|
| 9 :12   | This space<br>intentionally<br>left blank. | 15    |
| :11     | 11   | 3 [17 |

|  | ;6<br>;6                                   | This space intentionally |
|--|--|--------------------------|
| 113  | 11   | left blank.              |
| 3<br>9                                     | This space<br>intentionally<br>left blank. | ;9<br>;16<br>;4          |
| This space<br>intentionally<br>left blank. | 14 :7<br>:14                               | 13 3                     |
