## Backstory

 Icy winter weather strikesagain in my home state of
Michigan．People should be
staying off the roads，but
four drivers got stuck in
ditches just north of the
Indiana border along I－69．
Instructions

Using the clues provided， match the driver to their vehicle，the nearest mile marker，and the time of their accident．

| Black Jeep |  |  |  |  | The green car＇s accident occurred exactly two hours after Mark＇s accident． |  |  |  |  |  |  |  |
| Blue Van |  |  |  |  |  |  |  |  |  |  |  |  |

The red SUV crashed more than two hours before the accident at mile marker 17 ．

Tasha，whose accident occurred hefore mile marker 35，drove either the black jeep or the red SUV．
Mark＇s accident and the one involving the
black jeep both occurred somewhere
between mile markers 17 and 35 ．
．．．e
Tasha＇s accident happened earlier than
the one involving the red SUV．
