

Instructions

For Day 7's puzzle, solve the slitherlink using traditional slitherlink rules. Each of the digits 0 through 3 have been replaced by a glyph. It is up to the solver to figure out which of the glyphs corresponds to each digit.

Then, in Day 8's Hashtags puzzle, place three- and five-letter words into the hash-shaped grid that fit the hashtags that are provided as clues.

Encoded Slitherlink
