Intro and Instructions

Welcome to the 2023 #PuzzleAdventCalendar from The Griddle! Each day from December 1 through 25, there will be a new set of clues provided that will fit into a 3x3 block inside a trio of overlapping sudoku grids.

Each 9x9 grid solves as an individual sudoku, and each of the two outer puzzles overlap with the center puzzle by one 3x3 block. There will be an easy set (white) and a harder set (gray) with different solutions, but both will use this same template as a base. Feel free to print two copies if you plan to solve both.
