

<b>9</b>	<b>24</b>	<b>14</b>
X	X	X
X	X	X
<b>36</b>	<b>48</b>	<b>35</b>

Place the numbers 1 through 9 into the 3x3 block while making sure that the multiplication problems are correct.

Neighboring cells sharing a shaded dot must share a 2:1 relationship.

### White Blooms

Chargers  
Mr. Weasley or McDonald  
Way

### Striped Blooms

Let loose smoke  
Confound  
Cheese popular in India

### Gray Blooms

Carrying device  
Used a phone  
Some Olympians  
Paper fastener

Today's feature puzzle is Rows Garden. Place letters into the 'petals' in the grid to form the answers to the clues. Each row contains one or two entries, and each 'bloom' contains a six-letter word surrounding its center. It's up to the solver to determine where the word starts and in which direction the word winds around the center.
