

Instructions

Fill each of the grids with the tetrominos provided to spell answers to the clues. Each piece is used exactly once, in the order given, without being rotated or reflected, and can be 'dropped' into place from above, coming to rest on the bottom edge of the grid or another tetromino.

(The original version of the bottom puzzle had a spelling mistake which is now corrected. Thanks Gene for pointing it out!)

Puzzle A

The _ (sitcom)

Party in Cancun

Hope
